In accordance with Government Code section 11346.8(c), the Department of Motor Vehicles (department) provides this notice for the purpose of inviting comments regarding modification of the proposed regulations relating to the fees for Traffic Violator School Programs. The regulatory language as originally proposed was published in the California Regulatory Notice Register on May 6, 2011, and provided to interested persons for comment.

Due to comments received during the 15-day comment period held from December 1 through 16, the department has determined it necessary to conduct an additional comment period of 15 days to allow the public to provide feedback on amendments relating to data elements required from a student to allow correct reporting of course completion information (Sections 345.30 and 345.36) and course schedule notification provisions (Section 345.40).

Attached is the full text of the proposed regulation. The text includes the previously proposed language as well as the proposed changes to the language. The proposed modifications affect Sections 345.30, 345.36 and 345.40. The current modifications are illustrated by the following methods:

- (1) ~~The language added during the previous 15 day notice period that is now being deleted is double underlined and overstuck.~~
- (2) ~~The language now proposed to be added is indicated by broken underline.~~
- (3) ~~The language that currently exists in regulation but is now being deleted is indicated by broken underlines and strikethrough.~~
